

*"Caring For Your Home Is Our Business"*

Introducing...

**Nature Coast Home Repair and Maintenance Inc.**

*"Caring for your home is our business"*

**"Offering a full range of services"**

**Our goal is to deliver a much higher level of service  
than is expected of us.**

To Our Dear Family & Friends,

Allen and I are so excited about our new business! We are hoping that you will help support us by spreading our good news. We have enclosed business cards for you and for anyone you know that we could be of service to. Your referrals would mean the world to us. Starting a business is not easy; if you could include us in your prayers we would be eternally grateful.

All of our love,  
The Kalanskys  
Allen, Lisa, Michelle & Jimmy
