Locals attend home show

Allen and Lisa Kalansky of Nature Coast Home Repair & Maintenance Inc., attended the Fall Home and Remodeling Show in St. Petersburg Oct. 9.

The home show had 800 exhibitors and display items, from appliances, lighting, flooring, decorating, gardening, and landscaping to all of the latest advancements in hurricane protection.

Every aspect of home improvement was showcased and many workshops were held throughout the day. This state-of-the-art home show presented many great ideas for caring for and improving your home.
