Dear Mr. Kalansky,

In the previous years that we have presented the Annual Charity Ball, we have donated to many very important charities. Each year our contributors are more generous than the year before and we are able to donate to the charity of choice for that given year.

This year our Worthy Grand Matrons charity was Hospice. We are very happy to report that our donation to Hospice was in the amount of \$3,347.10. Hospice, as we all know, is very important when the end is near and during the period of time that they are assisting the families. This is the most difficult time for any family and the assistance of this agency is a necessity that not many of us could do without.

Our very sincere thanks goes out to each of our contributors because without them we would not be able to hold this yearly Charity Ball. This was our fourteenth year of holding this function and as always each contributor was a blessing to us.

Our thanks also goes to each of the Chapters in District 13. Each year the Charity Ball is Chaired by one of the five Chapters in our District with the other Chapters assisting where needed. It takes many hands to put this affair together. We could not do without our Sisters and Brothers who make this event the success it is today. A wonderful time was had by all attendees and we are very proud of this donation to Hospice.

Once again please accept our sincere thanks for your generous donations of advertising, door prizes, and the time donated by our members and officers. We hope to see everyone again next year.

Sincerely,

Carol L. Allen, P.M.
