Dear Friend Of Pope John Paul II Catholic School,

On Saturday, April 29th, 2006 Pope John Paul II held its annual Goods and Services Dinner and Auction. Our guests were treated to an evening of great food, fun and fellowship, in a Wild West setting. Those who attended were very impressed by the vast array of items donated by kind individuals and companies like yours. Thanks to the many generous donors this event was able to raise approximately \$70,000. This was far beyond our expectations. On behalf of the PTO of Pope John Paul II, we would like to extend our sincere appreciation for your support in making this fundraiser such a huge success. We attribute our success to the caring, generous involvement of businesses and families such as yours. As we all know, great things happen when communities work together and this event certainly was proof of that.

Again, thank you for your charitable contribution to our school. Be assured that the money raised will be used to further enhance the educational development of our children. Our faculty, staff, parents and most of all, our students, are truly grateful for your support.

Sincerely,

Lou Whitaker
