Dear Mr. & Mrs. Kalansky:

Thank you Thank you Thank you Thank you...

With sincere thanks and gratitude, we acknowledge your donation to the Key Training Center's 2008 Tree of Hope, created and coordinated by Bush Home Services, with the additional assistance of Lee's Certified Welding, Inc., and All-Brite Signs.

We are truly blessed to have people like you support the Key Training Center. Because of you, the Key Training Center will continue to provide vital social, educational, and residential services to nearly 300 of our developmentally disabled friends. Citrus County residents with mental retardation and other developmental disabilities can have the opportunity to choose and realize their goals of learning, living, working, and being all they can be with the help from staff at the Key Training Center.

Please know how deeply I appreciate your advocacy and support. To you and your family, we wish you a joyous Christmas, and a happy New Year. May God richly bless you as He has this place and these wonderful people.

Sincerely,

Chester V. Cole
